Accessibility Statement

Fedrigoni S.p.A. is committed to making its website accessible, in accordance with Royal Decree 1112/2018, of 7 September, on the accessibility of the websites and mobile applications of public sector bodies.

This accessibility statement applies to: <https://fabriano.com>

Compliance Status

Partially compliant

This website is partially compliant with the requirements of Annex A of the UNE-EN 301549:2022 standard, due to the non-conformities listed below.

Non-accessible content

The content listed below is not accessible for the following reasons:

Non-compliance with Royal Decree 1112/2018:

- C.9.1.1.1 - Some non-text content presented to the user does not have a text alternative that serves the same purpose;
- C.9.1.4.3 - The visual presentation of text and images containing text does not always meet the minimum required contrast ratio, except where allowed by regulation (e.g. logos);
- C.9.1.4.10 - Content that does not require two-dimensional layout (such as data tables or maps) does not reflow properly when the user agent's display size changes;
- C.9.2.1.1 - Some functionalities are not fully operable using only a keyboard (or a similar input interface);
- C.9.2.4.1 - There is no mechanism available to bypass blocks of content that are repeated across multiple web pages;
- C.9.2.4.3 - In some web pages that can be navigated sequentially, and where the navigation order affects meaning or functionality, some focusable elements do not receive focus in an order that preserves meaning and operability;

FEDRIGONI

- C.9.2.4.4 - The purpose of some links cannot be determined from the link text alone or from the link text together with adjacent content;
- C.9.2.4.7 - Some interactive elements do not show a visible focus indicator;
- C.9.3.2.4 - Some components with the same functionality are not consistently identified across different web pages;
- C.9.4.1.2 - In some cases, user interface components (including form elements, links, and script-generated components) do not have correct or set names, roles, states, properties, and values, or do not inform the user and assistive technologies when these change.

Preparation of this accessibility statement

This statement was prepared on 08/04/2025.

The assessment was carried out by a third-party auditor through objective and subjective analyses (as per Article 3, paragraph 1, of Commission Implementing Decision (EU) 2018/1523).

The statement was last reviewed on 08/04/2025, in accordance with the recommendation to periodically review the accuracy of its contents (at least once per year).
